Congratulations on your engagement!

We are so thrilled to meet you; and at such an exciting time in your lives! We (Rick and Suzette) are a husband and wife team. We began with only one of us shooting portraits, but we soon learned that we **LOVE** photographing **LOVE**! Since we began working together, we have expanded into providing cinematic films and photo booth services.

To us weddings are all about real life and romance. We want to capture your wedding day the way it really is, and focus on what makes you crazy about each other. You can expect an artistic and timeless style to your photos. And lots of fun!

When we're not working, you can find us at home with our kids (and our pets) enjoying quality time and a good movie or video game. We can't wait to hear all about your wedding day plans!
